E Safety Day

This will be held next Tuesday 7th February. You are invited to join us from 5pm for an informal evening to share the children's learning. At 6pm in the hall our new ICT ambassadors will be presented with their badges and will share some key information about how to keep our children safe online. All welcome. Refreshments will be available.

Valentines

Next Friday 10th February we will be selling Valentines cakes and buns to raise money for the PTA. Children can buy for themselves or as a gift to take home or they can choose to have one delivered to someone else in school. This will be done in the morning before Years 5 and 6 leave for Manchester. Cakes and buns will cost no more than £1. Any baking that's left over will be on sale after school.

Also, the PTA are holding a Valentine's raffle to raise funds for the PTA. The prize is a Valentine's gift with Prosecco, chocolates etc. Tickets will be on sale at the school office all next week and the draw will be done on Friday morning so that the prize can be collected before school closes for the holidays. Tickets will cost £1 per strip.

Grandparents lunch

Grandparents are invited to share lunch with the children next Thursday 9th February. This is a very popular event so therefore is fully booked, however if you wish to put your name down for the next lunch (date to be arranged) please email the school on admin@laneshawbridge.lancs.sch.uk or call into the office.

Authorised collections

Please could we kindly ask all parents/guardians to email permission in writing to

busar@laneshawbridge.lancs.sch.uk if you wish your child to be collected by a person not on the agreed pick up list.

Interim Progress Reviews

Your child's 'Interim Progress Review' will be sent home with your child next week. The report is a visual indicator of how your child is performing in relation to 'Year Related Expectations' and effort in English, Maths and Science, the core subjects of the national curriculum. We recognise that this is far from all that your child does on a daily basis in school and will not reflect all their gifts and talents. If you would like to discuss these further please do not hesitate to contact us.
