

# Weekly Update 8th September 2017

## Dear Parents / Carers

Welcome to the first weekly update of the academic year. We would like to give a very warm welcome to our new Reception class parent's. Also many thanks from all staff for the wonderful gifts received at the end of last term. It is very much appreciated.

At Laneshaw Bridge we take safeguarding of our children very seriously. You have already received a data collection sheet along with permission forms for collection of children and passwords. Please ensure that this is returned to school as soon as possible to ensure we implement the correct procedures for your child. All doors and gates are kept secure throughout the day and all visitors are signed in. Staff are vigilant in looking after children and if a child discloses any safeguarding issues or they are observed then these will be reported to the designated senior person; in our school this is either Mrs Sharples or Mrs Canty. Where required these issues will be taken as far as necessary to ensure that children are kept safe at all times.

## SCHOOL LOTTERY

We are launching the school lottery on Saturday 9th September. Joining is really straightforward and can be done online at
