

# Newsletter 16th Sept 2016

Dear Parents / Carers

This newsletter just contains a few reminders and updates for what is happening over the first few weeks of the Autumn term. Please can all parents who have not sent in the data collection sheet yet return it to school as soon as possible so we know the people designated to pick up your child and the password.

## Parent Voice

Many thanks to those who came along to the first 'Parent Voice' meeting. It was really helpful hearing your thoughts and ideas. Details about what was discussed will be following shortly. If you cannot make future meetings - don't worry - there will be an option to write your thoughts on the website or drop comments off in a mailbox which will be located in the front of the school by the office.

## MacMillan Coffee Morning - 30th September

This will take place in the hall 8.45am onwards. The PTA have offered to bake cakes and the school will be providing homemade biscuits. We look forward to seeing you there. Please invite friends and family.

## Sickness

Guidelines state that a period of 48 hours should elapse after a vomiting or diarrhoea episode in order that it cannot spread further. If your child is sick in school for example, we would not expect to see them at school the next day. This should keep school as healthy as possible.

## Keeping in Touch

School has created a 'Twitter' account. Please follow us @SchoolLaneshaw. We are trying to keep the website up-to-date with information so please look on-line for newsletters and other information. We now have a new school mobile number which can be used to contact After School Club if you are maybe running late or to tell them you are waiting to collect your children from the front entrance. TEL:07564658470

## Reception Parent Lunch

Many apologies. Reception parent lunch was omitted from the calendar. It will be on the 7th October. Keep a look out for a letter which will enable you to book on that day. The cost of the lunch will be £2.64.

## Jeans for Genes - 23rd September

Laneshaw Bridge will be supporting 'Jeans for Genes' day during which we will raise children's awareness of genetic disorders. Children can come in wearing jeans or as much denim as possible and bring in a £1 or other donation!

## Guide Dog

Mrs Garner is currently training a guide dog puppy and you may see her around the school grounds. Feel free to stop and speak to Kate but please avoid overpowering the puppy at this point. She will be bringing the puppy into school in due course and giving the children a talk about guide dogs.

## Go Velo

Go Velo start Bikeability next week with the Year 5 and Year 3. Don't forget your bikes!
