

Weekly Update 25th November 2016

Dear Parents / Carers

Thank you very much for your kind donations of toiletries this week. Our Christmas Fair is set to be a huge success.

Christmas Fair

Today is our fabulous annual Christmas Fair organised by the PTA. It will take place after school 3.30pm - 5.30pm with lots

of fun and games including face painting, tombola, lucky dip, henna and Santa's grotto. Also many seasonal treats will be on offer for your delight. All welcome.

Grandparents lunch

Grandparents are invited to share lunch with the children next Thursday 1st December. Please pre-order a lunch by emailing the school on admin@laneshawbridge.lancs.sch.uk or call into the office. There will be a small charge of £2.64 per person. The deadline for letting Gina in the kitchen know will be Tuesday 29th November.

We would like to congratulate Elsie Edge-Humbert in Year 6 for being named as one of the runners up in a local Christmas card competition that school took part in recently. Andrew Stevenson will be presenting Elsie with her prize in next Friday's school assembly.

Go Velo

Next Friday 2nd December Go Velo will be coming into school to work with our Year 5 pupils to conduct the Bikeability Fix - Bike maintenance session. The instructors will bring everything necessary including overalls. Pupils simply need to turn up.

Friday 16th December is national Christmas jumper day and children are invited to take part on this day. They must wear normal school uniform apart from the jumper. Donations will be welcomed for Save the Children.

School Photos

Children should have now received their fantastic school photos. Please return any orders as soon as possible to ensure they are back before we break up for Christmas.

Car Parking issues

Please could we remind all parents/carers that the top carpark and driveway is for staff and disabled access only. Please use the main school carpark to drop off and collect children. This also applies when collecting from After School Club as parking at the top can cause congestion and mean staff are struggling to get out.
